

Free Market — Quick Start Guide

Get Up and Running in 5 Minutes

STEP 1: Sign Up

Go to <https://freemarket.fly.dev> → Click “**Create Account**” → Choose your type:

-  **Business Owner** — Sell products
 -  **Rider** — Offer delivery
 -  **Artisan** — Offer skilled services
-

STEP 2: Explore Your Dashboard

Your home screen shows:

Section	What It Does
Quick Access	Shortcut to New Sale, Products, Customers, Stats
Today’ s Overview	Live revenue, sales count, products, team stats
Weekly Profit	Day-by-day revenue chart

STEP 3: Add Your Products

1. Click **Products** → “+ **Add Product**”
2. Fill: Name, Category, Price, Cost Price, Stock, Description, Images
3. Click **Save** → Product goes live instantly

Pro Tip: Use the toggle switch to enable/disable products without deleting them.

STEP 4: Record a Sale

1. Click **Sales** → “+ **Record Sale**”
 2. Select products → Set quantities
 3. Choose payment: **Cash** or **Transfer/POS**
 4. Add customer (or leave as “Walk-in”)
 5. Click **Complete Sale** → Receipt auto-generates
-

STEP 5: Manage Orders

1. Click **Orders**
2. Check **Pending** tab first (yellow badges)
3. Click the **arrow** to expand an order

4. Click **Accept**, **Reject**, or progress through Processing → Ready → Completed
-

STEP 6: Browse the Marketplace

1. Click **Marketplace**
 2. Use **left sidebar filters** (location, price, category)
 3. Click category tabs: All | Products | Food | Riders | Artisans
 4. Click “**View →**” on any product for details
-

STEP 7: Find a Rider

1. Click **Riders** in the sidebar
 2. Search by name/area or filter by vehicle type
 3. Click “**View Profile**” to see rider details
 4. Click “**Ping Rider**” from any product to assign delivery
-

STEP 8: Find an Artisan

1. Click **Artisans** in the sidebar
 2. Browse **Popular Categories** (Welding, Carpentry, Tailoring, etc.)
 3. Filter by location and skill
 4. Click “**View Profile**” to hire
-

STEP 9: Check Your Reports

1. Go to **Reports**
 2. Toggle: **Today** | **This Week** | **This Month** | **This Year**
 3. View Revenue, Profit, Transactions, Margin
 4. **Export** as CSV, PDF, or Print
-

STEP 10: Update Settings

1. Click **Settings**
 2. Update: Company Name, Address, Phone, Email, Currency
 3. Upload your **Business Logo**
 4. Add **Social Media** links
 5. Click “**Save Changes**”
-

NOTIFICATIONS

- Click the **bell icon** (top bar) for real-time alerts
- Red dot = Unread

- Click “**Mark all read**” to clear
